New Super Wilton Rugs

Our Own Importations

The rug mills of Europe are again weaving rugs of the quality that have made imported rugs so desirable, rugs which have added so to the charm of American homes.

These importations, which have arrived in time for fall housefurnishing, are exceptional in colorings and patterns. There are sizes suitable for use in any room where rugs are used; there are colorings to harmonize with almost any decorative scheme.

The designs are Oriental in effect, over basic colors of light or dark blue, tan, gold, rose, gray, red and green.

Similar patterns may be had in every size rug, up to and including the 9x12 foot size.

We are also able to supply hall runners to match many of the rug patterns.

Electric Washing Machines

Family Size, \$99.75

Lowest Verified Price Elsewhere, \$150.00

This greatly reduced price on a "Geyser" Electric Washer, equipped with electric wringer, is made possible by a large special purchase.

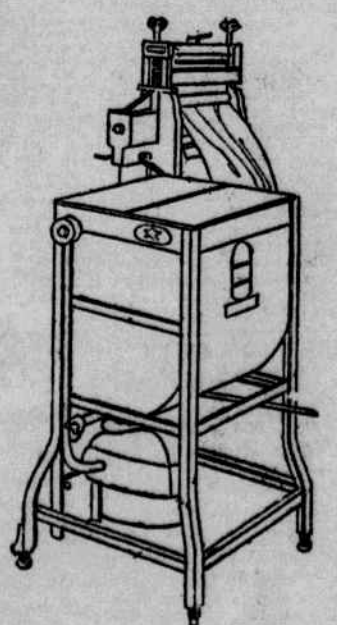

The unique and wonderfully effective double washing action assures quick, thorough cleansing. There is no wear on the clothes, as they remain at all times under water in a smooth, constantly revolving cylinder.

Guaranteed to render satisfactory service and against mechanical defects. Parts for renewal are readily procurable.

Ideal for Apartments

The small space occupied by these "Geyser" washers makes them particularly desirable for apartment house use. The simplicity of their design minimizes vibration and noise and also makes for greater economy in operation and almost entire absence of repairs and replacements.

All moving parts are enclosed, so that a child can play about an operating "Geyser" without possibility of injury.
